

Independent Order of Odd Fellows
Dedicated Members for Change

November 30, 2012

To All Members -

At this time of year when the holidays are just around the corner let us reflect back on this great order. Our legacy is not only about helping our own members but all people of our communities that are in need; not just with money, food, and clothing, but with anything else that they may need. I ask each and every lodge in California to find out how many families in your community you can help, reach out to them and give them a hand. Let your community know that the Independent Order of Odd Fellows is present and we are here to help. By practicing our basic tenets of Friendship, Love and Truth we may be able to show them what we love so much about our order.

Happy Holidays!

Grand Master
