Dedicated Members for Change

October 21, 2013

Dear Dedicated Members for Change,

Good news for the DMC.

As of yesterday, we have now completed the posting of all DMC Newsletters on line! We thank Stewart Savage, the webmaster for the Davis Lodge, for undertaking this mission. All newsletters from December 13, 2010 - the beginning of the DMC - have now been posted, and all subsequent newsletters will also be posted. This provides an important resource to you and your Lodges, as well as preserving these articles for historical purposes. As you know, the DMC Newsletters are chock full of suggestions to help you and your Lodges increase membership in the Order.

To access this historical list of DMC Newsletters from December 2010 to the present, go to www.davislodge.org. Once on that homepage, move your cursor toward the top of the page to the words ABOUT THE ODD FELLOWS and then click on the words DEDICATED MEMBERS FOR CHANGE, and voila, you will see all the newsletters listed by date.
